BERIA A LIVING HELL.

Captures the \$500 Purse at the Guttenburg Track To-Day.

Reporters and Spectators Find yards of a harbor patrol beat, manned by Patrolmen Delley, Horan and Tulley. It Hard to See the Pinishes.

GUTTENBURG RACE TRACK, Dec. 8 .- The fog at Guttenburg to-day was so thick that Manager carr at one time was seriously considering whether or not it it would be poseible for his " Italian snew brigade" to shovel it off the biuft. It is no exaggeration to state that the speciators were compelled to line up ably received internal lojuries, he was reon the rail 'n order to see the finish. The newspaper reporters had to go down into the judges inclosure so that the finish could be called correctly. It was perhaps a good

thing that the fog was so thick.

The card was a poor one and the mist effectually his from view any imper-ections rectuelly his from view any impercections New York. I noticed nothing unusual about that might have been noted of the various him. He was very well dressed; wore a lightesting, but the tog made matters novel and

The track was sloppy and bad. The opening event was a dash for maidens of all ages. Enoia was the favorite, but she disappointed her backers by turning up to the ruck. Hesperus, second choice, won from the water below.

OFF THE BIG BRIDGE, CRASH ON THE RAIL, DID HE KILL ELLEN?

Made the Leap This Afternoon.

Apparently Uninjured.

At the Chamcers Street Hospital Engineer Killed on the Lehlyh Val-He Is Suld to De Insane.

A man jumped need foremost from the first better from New York to-day over the Central Rull-ton, whose dead body was sound in East-ches-noon and was apparently uninjured. He had stepped out of a cab driven by ran into a freight transport on the river in Philip Scholl, of 45 Chapel street, Brooklyn. The fog. No damage was done, but the boat and without warning dived over the parapet on the north side of the bridge, about one hungred feet west of the Brooklyn tower.

The man struck the water within thirty

As soon as the man rose to the surface the patroller in Jersey City. street, this city, near the post-office, where patroller fished him up into the boat. He At 11.44 the Long Branch express followed. | Ellen went to seeme a structure and the contract of the contract of

They then took him to the police station at ness, he said that his name was Daniel Mc-New York from Boanoke, Va.

He also gave his age as thirty-five, and said he was a blacksmith by occupation.

There were no bruises on McLaughlin's

body, but as he was faint, and had presummoved to the Chambers Street Hospital. He had in his clothes a gold watch and chain and \$65 in bills and small change. Scholl, the cabman, said to an Evening WORLD reporter :

"The man had engaged me to drive him to

" Suddenly I became aware that the cab's

door nearest the bridge paraget was swung open, and looking around I saw the man step out and, without saying a word, wajh-rapidly to the rate and then bound head foremost in

"I think he must have intended to commit suicide. A professional bridge-jumper would have taken off his coat." The cabman was not arrested.

Roundsman Brophy, of the Bridge squad, in Brooklyn, said to an Evening Worle re-

" My back was turned to him at the time

and it was only when the cabman called out of the bridge I saw three men in uniform raising the would-be-suicide into a rowboat.

" He seemed to be resisting their efforts to get pim into the boat, but I am not sure of

built man, and has sandy hair and a mustache of the same color. In reference to the theory that the man is

a professional bridge-jumper, there is some

others a medium-rized man with a clean bruised.
Shaven face and a pay.

They began to talk of bridge jumping and W. H. Parken, of Red Bank, best and ness inone said he was going to jump of this after-

Brodie did not know which one it was, as he paid no attention to their talk, considering it to be more bluff than anything clae. At the Chambers Street Hospital Dr. Stokes, of the Ambulance Corps, who at- Hospital. tended the man, said that McLaughlin Was

evidently oracy.
When saked his nurpose in Jumping from the bridge, McLaughlin replied: "I wanted to escape. They were after me

ant wanted to hang me." "I know they dasn't follow me down there," he added, with a shake of the head and the self-satisfied air of a maniae. He does not appear to be seriously hurt. In

tact, so far as the surgeons can ascertain, se- and there was great excitement. cording to Dr. Stokes, there is nothing to indicate any injury at all. He will be kept in the hospital for further examination and then sent to Bellevue, where the question of his sanity will be

At the Police Gazette office actiling was known of McLaughlin.

TALK OF THE TURF.

Patrons of Hilltop Track Well Pleased with Testerday's Results.

ADALGISA COLT IMPROVING.

O'Leary's Coup on Greenwich-Father Bill Before Board of Review.

The usual percentage of three winning favorites was kept up at Guttenburg yester-day. The racing started off with a red-hol favorite as the winner, but this success was more than offset by the victory of two outsiders in the second and third races. The fourth went to the actual favorite, Burlingtou; the fifth to an outsider, and Tasso in the sixth pulled every one out by winning in the last jump from Freezer. The unishes is the last three races were red hot and the results were in doubt until the final strike. These bloodthirsty scriminges up the stretch pleased the crowd, and all went home estimned that they had their money's worth.

is the track. One never knows in the morn-ing how the track will be when the first race is called. Tuesday the track was drying out is called. Thesany the track was drying our so fast that every one predicted a good dry course for the next day's sport. When the racegoers arrived at Guttenburg, however, they were amazed to find the track covered with water. Nine-tentis believed that a shower of rain had caused this, but week was not the case. The recent cold samp from the track solid a week ago to-day. Yesterday the warm, moist air turrowed into this solid foundation and speedily converted what ice remained into water. The showers and fog of to-day will clean the track out the

and with fair, mild weather for the next ten days the track should regain its normal con-union. McDermott tried hard to beat Greenwie with Merry Duke resterday. He had a supplet down both ways, which accounts for his ususua, persistence.

It is a mystery of mysterios why public and bookles persist in plunging on Line T. every time she starts. So far, tall sligh has hever shown speed enough to neat a futh avenue

were placed, however.

In the second race yesterday Jockey Newell rode Bradley's gelding spot, at 100 pounds. Il. Jones, Bradley's regular Jockey, Lad the mount on the favorite, Lizzie T. There is a rule which prolinits lickeys from riding other horses in a race when they can make the weight on their comployers have. Remembering this, Judge Burke spoke to Bradley about the matter and he said that some time ago Andrew Thompson had apodera for his boy's services. He consented and yesterday entered spot to fill up the race. He did not know, however, that Lizzie T. was in the same race. The judges took no action because Lizzie T. had oven entered with the provinct hat Jones should ride. Is future, nowever, jockeys will be compelled to ride their employers' herses when the yellow.

Carmelite stepped in a hole in the last race and fell. This was Mason's first mount since his previous bad fall, and it was odd that he should again meet with a misbes.

Tasso is displaying a fondness for the mud, for which he had a decided aversion last Winter. Just now mud seems to be his best hold.

William Keegan, a deckhand on board the Health Officer's tag George C. Preston, was transferred this a termoon to the neception Hospital, suffering from small-pox.

The patient has been suling since Sunday at the home on Fox Hill, Chron, Staten Island. The house is isolated and remote from other habit actions.

On being visited this morning by Dr. T. J. Thompson, a practising physician, and penuty Health Officer V. H. Sandorn, Keegan was proncured to be suffering from small-pox.

To avoid any danger of contagion the fam.

To avoid any danger of contagion the fam.

The case of Grover S., who fell dead in a race at Point Breeze and who was subsequently discovered to be poissoned, also attracted great interest at the meeting yesterday. The stemach of Grover S. was examined and found to contain either and inudanum. A strong defense was made, and one of the points brought out was that the geleing had always run under the influence of drugs. It serves strange, however, to 24-minister asrooties to induce speed, it is true that laudanum in small desce acts as a stimulant, but in this instance there was enough of the drug xiven to produce death. There were suspicious in this case, and it is good betting that there will be no reinstatements.

Others Say: "Just as Good as Evana," indication that Evans's Ale and Stout are pre-out-
